

## 1<sup>st</sup> Brookwood Scouts (K9)

There has been a special Necker commissioned for the Scouts that are attending the Surrey Scouts International Camp to the Scouting Associations campsite in Kandersteg Switzerland. The scarf is exclusive to the group and is made up of the group colours with an especially embroidered badge upon it. These are only available for a limited period and can be worn until the end of the year by any member of the group. It also will make a great addition to any collection. Neckers are great to swap at camp too.
